AZ4 HTE-S

PERFORMANCE: The AZ4 HTE-S Junior is designed for small to medium-sized repairs. Utilising advanced air cap technology to provide a consistent and full spray pattern. Small-sized repairs are made simple.

PRECISE: With adjustable controls, you can easily adjust the paint flow, fan size and pressure to match your specific needs, ensuring an even application on any surface.

VERSATILE: No matter the application the AZ4 HTE-S Junior will keep repairs small and keep overspray to a minimum. This is ideal when working on small repairs such as bumpers, wheel arches, dents, and scuffs. Costs are kept low as less material is needed to get the job done.

ERGONOMIC: The AZ4 HTE-S Junior has a lightweight and compact design, making it suitable for longer painting sessions.
